

Doug Radkey

President and Lead Consultant, Author

Doug Radkey is the President and lead consultant of KRG Hospitality Inc., in addition to the author of the book 'Bar Hacks'. Since 2009, KRG has been a creative North American planning, development, and support agency for independent restaurants, bars, hotels, and other hospitality related properties working with new concepts and multi-unit operators looking to

start, grow, or re-brand. Doug personally brings over 20 years in the hospitality industry, 10 as a consultant, where he has personally developed numerous beverage programs resulting in sustainable profits for a variety of venues. Lastly, Doug is a columnist for Canadian Restaurant & Foodservice News in addition to a number of other industry related publications found across the globe.
